9 DIRECT EXAMINATION BY MR. MURPHY:

10 Q Prior to today have you ever had your
11 deposition taken before?

12 A No.

13 Q Other than this particular lawsuit that
14 we're here today involved in, have you ever been a
15 party to a lawsuit before?

16 A No.

17 Q I'm going to take a few moments just to
18 kind of go over why we're here today and what the
19 process is even though I'm sure your attorney has
20 already gone through some of this anyway.

21 Because you have filed a lawsuit as a
22 plaintiff against my client as a defendant one of the
23 processes we're allowed to do is take your deposition
24 so I can finally meet you face-to-face and I can ask
25 you generalized questions in order to get more

1 information about the background of the issues that
2 are relevant to the case.

3 Do you understand that?

4 A Yes.

5 Q We kind of do this informally in my
6 office, but it's also formally part of the lawsuit.

7 Seated to my right and to your left is a
8 court reporter who is going to write down everything
9 you say or I say or your attorney says during the
10 course of the deposition.

11 Do you understand that?

12 A Yes.

13 Q That's done so that when it's all
14 completed, she'll have it typed up into a booklet
15 form and we can use that later on at the time of
16 trial and the judge will be able to use that or read
17 from it in the event that there are motions.

18 Do you understand that?

19 A Yes.

20 Q In order then for that system to work we
21 have to kind of follow a few basic rules. The first
22 is that you have to listen to the question and make
23 sure you understand it before you give an answer to
24 it. If you don't understand the question for any
25 reason, and it could be that it's just a bad

1 question, please stop me and tell me I don't
2 understand the question. Can you restate it or
3 rephrase it and I'll be more than glad to do that.

4 Do you understand that?

5 A Yes.

6 Q The other thing we have to try to do is
7 speak loudly, use words and phrases, yes, no, instead
8 of uh-huh, hand gestures or nods of the head because
9 the court reporter is only allowed to take down the
10 verbal response that we give.

11 A Okay.

12 Q And then if you would allow me the
13 opportunity to finish my question before you begin to
14 give me an answer even though you might anticipate
15 what my question is going to be and then I will try
16 not to step on your answer and it will make life
17 easier for the court reporter as well. She'll be
18 able to take down my question completely and your
19 answer completely.

20 Do you understand that?

21 A Yes.

22 Q You also have seated to your right your
23 attorney and he's here to protect your interest in
24 the deposition. And as he may have told you already,
25 one of the things he may do is object to a question

1 as to the phrasing of the question. When he does
2 that, he's preserving that objection so that later on
3 a judge can look at it and determine if the question
4 is clean or whether it's ambiguous later on. As soon
5 as your attorney starts to speak and put an objection
6 out there, please stop, allow him to do his job and
7 put the objection on the record and he'll do one of
8 two things. He'll either allow you to answer the
9 question or he'll instruct you not to answer the
10 question. If he instructs you not to answer the
11 question, don't answer the question. Listen to your
12 attorney. You've got an attorney here. But
13 generally speaking this type of a deposition there's
14 no tricks. I'm not trying to trick you. I'm really
15 just trying to get basic information. Do take the
16 time to listen to your attorney if he speaks. It may
17 be helpful to let me finish my question, pause a
18 moment and then give your answer. It also allows
19 your attorney a reasonable opportunity to also hear
20 the question and decide if he has an objection.

21 Okay?

22 A Yes.

23 Q The last is I'm going to ask questions
24 about things in your memory or history. You may know
25 the exact answer sitting here today or you may not,

1 you may have to estimate or give us your best
2 recollection or your best estimate based on the
3 memory that you do have. That's perfectly acceptable
4 if you tell us. If you're really just answering
5 based on your best estimate or your best memory just
6 tell us that so we know that's what you're doing.

7 Okay?

8 A Okay.

9 Q I don't anticipate today's deposition in
10 this type of case to be very long, but it's not an
11 endurance contest. If you want to take a break, go
12 to the restroom, get a glass of water, cup of coffee,
13 just say something, we'll go off the record and the
14 court reporter is always pleased to take a break.

15 A Okay.

16 Q Now prior to this you had never been
17 involved in a lawsuit before?

18 A No, sir.

19 Q If I'm not mistaken, you're still
20 working at Andover Endoscopy?

21 A No, sir.

22 Q And how long did you work there?

23 A I worked there for about nine years.

24 Q And where are you working now?

25 A Now I work at Prime Health Care, Saint Clare's

1 Hospital in Denville, New Jersey.

2 Q What do you do for them?

3 A I am a lab supervisor/phlebotomist.

4 Q How long have you been a phlebotomist?

5 A Two years.

6 Q I'm going to show you a document. Now
7 let's start. I'm going to show you a document. I'm
8 going to hand it to your attorney first. This is the
9 notice of the deposition. This is the notice
10 indicating what documents we wanted you to bring with
11 you today.

12 Do you remember seeing this notice
13 before?

14 A Yes.

15 Q And one of the things we had asked is
16 for you to bring with you a copy of the
17 communications that you had with the defendant in the
18 lawsuit and do you know if there is any written
19 communications between you and Associated Credit
20 Services?

21 A I do not recall.

22 Q Back in September of 2015 did you get
23 your utility services from First Energy, Jersey
24 Central Power & Light?

25 A Yes.

1 Q How long had you been getting services
2 from JCP&L?

3 A I -- about, and I'm guesstimating, about seven
4 years.

5 Q What was the address that you were
6 getting the services at?

7 A 1238 BrookWood Drive was the last address.

8 Q When you had lived in different
9 locations, you were generally with JCP&L?

10 A Yes.

11 Q And back in September of 2015, well, in
12 2014 where were you living?

13 A 38 Brookwood Drive.

14 Q At that point for that year you would
15 have gotten your services from JCP&L?

16 A Correct.

17 Q It's my understanding that you had
18 signed up or signed some contractual documents with
19 Jersey Central Power & Light in order to get the
20 services for your house?

21 A Correct.

22 Q Was it a residential house or apartment?

23 A It was a residential house.

24 Q And do you recall getting actual written
25 contract that you had to sign in order to get the

1 services the first time?

2 A I do not recall.

3 Q I'm going to show you a document and
4 we've marked it today as Fleming 2 and within it on
5 the bottom it has numbers, ACS, and it has document
6 number 2 which purports to be a Jersey Central Power
7 & Light document. I'm going to be ask you if you've
8 seen that before, if that looks familiar?

9 A Yes.

10 Q At some point in time do you recall
11 having the bill with JCP&L fall behind where they
12 were trying to get current payments from you?

13 A Yes.

14 Q When was the first time that you recall
15 falling behind with JCP&L?

16 A I don't remember.

17 Q In 2014?

18 A Possibly.

19 Q 2013?

20 A No.

21 Q And what was it that generally caused
22 you to fall behind in 2014?

23 A It was just financial difficulties.

24 Q At some point in time when you had the
25 financial difficulties and fell behind with Jersey

1 Central Power & Light, did somebody from Jersey
2 Central Power & Light contact you to talk about
3 getting you current?

4 A I contacted them.

5 Q Okay. When do you recall first talking
6 to them about trying to get current?

7 A I don't recall exactly when.

8 Q Your best estimate?

9 A Estimated in 2015, I believe.

10 Q I'm assuming that you've seen some of
11 the records that have been circulated in the case and
12 the information showing that JCP&L had assigned this
13 collection activity to our client, Associated Credit
14 Services, on or about September 2nd. Do you recall
15 whether your conversation with JCP&L was before
16 September 2nd, 2015?

17 A Yes.

18 Q And you said you called them?

19 A I did call them.

20 Q And when you called, did you call JCP&L
21 directly?

22 A Yes.

23 Q And do you recall who spoke to or what
24 they said?

25 A I do not recall who I spoke to. I'm going to

1 say I don't recall the conversation. I do not
2 remember.

3 Q Do you remember if you had resolved it
4 or set up a plan or did something?

5 A I did attempt to set up a plan. Somehow that
6 plan fell through, but I did attempt to set up a
7 plan.

8 Q And your recollection is that was
9 directly with somebody who was employed by somebody
10 employed by JCP&L as opposed to a third party?

11 A Correct.

12 Q Can you narrow down what months that
13 might have been that you first set up the plan?

14 A It was more towards the beginning of 2015.

15 Q In the January, February time period?

16 A I would say probably between January and
17 March, in there. I do not recall exactly.

18 Q At that same time period when you were
19 experiencing the financial difficulties and were
20 talking to JCP&L about some type of payment plan to
21 get current, were you also having problems with other
22 bills that were due?

23 A Yes.

24 Q Like what, can you give me an idea of
25 what other bills were falling behind at that time

1 period?

2 A Cable.

3 Q And who was the cable company?

4 A Service Electric.

5 Q Service Electric.

6 Anything else besides the cable and the

7 JCP&L?

8 A And Verizon.

9 Q Is that home phone or is that cell
10 phone?

11 A That would be --

12 Q Or both?

13 A That would be cell phone.

14 Q Besides the JCP&L and the cell phone,
15 anything else ever falling behind?

16 A No.

17 Q At that time period when you were
18 talking to JCP&L and trying to set up a plan did you
19 have similar conversations with the cable company?

20 A I did.

21 Q And what about with Verizon?

22 A Yes.

23 Q At some point in time after you set up
24 the plan with JCP&L you were able to make a couple of
25 the prearranged payments before you ran into

1 difficulty again?

2 A I was. I believe so.

3 Q Do you have any estimate of how many
4 payment bills you were able to make before you began
5 to fall back again?

6 A I do not remember.

7 Q And when you started to have the
8 difficulties again, did you speak again to somebody
9 from JCP&L?

10 A Honestly I don't remember.

11 Q At some point in time did somebody other
12 than an employee of JCP&L speak with you about the
13 JCP&L bill?

14 A Rephrase the question, please.

15 Q Sure. Sometimes a company like JCP&L
16 will try to collect their own bills and call or speak
17 with you directly like in somewhere between January
18 and March. Sometimes after a period of time they
19 hire an outside service to try to collect the bills
20 and do that on their behalf. I'm trying to determine
21 if at some point in time you went from talking to
22 JCP&L directly to speaking to a third party?

23 A I remember speaking to a third party, but I
24 honestly don't remember timeframe wise when somebody
25 else started calling.

1 Q What about with the cable company, did
2 they at some point cease having direct contact with
3 you but doing it through a third party?

4 A I don't think so.

5 Q What about with Verizon?

6 A Verizon, no.

7 Q It was always directly Verizon?

8 A Correct.

9 Q When you were at Andover Endoscopy, did
10 they send out their medical bills for collections to
11 your knowledge using a third party, outside vender?

12 A I do not know.

13 Q What about where you're at now?

14 A Yes.

15 Q They send out to a third party to try to
16 collect the bills?

17 A Yes.

18 Q Do you recall when -- strike that.

19 Let's stay with JCP&L. You made the
20 plan to try to get caught up sometime in the early
21 part of the year between January and March, correct?

22 A Correct.

23 Q Then what's the next thing that happened
24 in terms of your bill, your contact with JCP&L?

25 A It was -- the payment plan was too high for me

1 to be able to do and it just wasn't feasible for me.
2 I don't think to my best of my memory they weren't
3 really easy to work around with.

4 Q What happened when you started to not be
5 able to meet the payment plan?

6 A The bill got higher and higher and more
7 difficult to pay back.

8 Q And did you have more conversations with
9 them about the fact that the bill was growing and you
10 were falling further behind?

11 A I believe I did. I believe I did have
12 conversations with them to tell them that I was not
13 able to make the high payments that they were
14 expecting me to make.

15 Q And what happened in those
16 conversations?

17 A It was more I would contact them once my
18 situation changed.

19 Q Okay. How long did that period last
20 before you contacted them again?

21 A I don't believe I contacted them again.

22 Q Okay. When was the next time you heard
23 from JCP&L after that period when you were falling
24 behind again?

25 A I do not remember.

1 Q After the March time period do you
2 recall when the next time was that you spoke to
3 somebody on behalf of JCP&L?

4 A I do not recall.

5 Q At some point in time you had a
6 conversation with somebody from Associated Credit
7 Services. Do you recall that?

8 A I do.

9 Q And do you recall when you had your
10 first conversation with somebody from Associated
11 Credit Services?

12 A I believe it was more towards July.

13 Q Do you recall speaking with somebody in
14 July of 2015 about your JCP&L bill?

15 A Yes.

16 Q And it was your understanding that the
17 person that you spoke to in July were not directly
18 employed by JCP&L?

19 A Correct.

20 Q And the exhibit, ACS4 document that we
21 have shows that JCP&L assigned the account, assigned
22 your bill to Associated Credit Services on September
23 2nd, 2015. I'm curious about this July contact. Do
24 you have any idea who you spoke to in July?

25 A I know it was a male. I was under the

1 impression it was through Associated Credit. It was
2 a male who was calling me in regards to this bill,
3 but I was driving at the time so I requested that he
4 call back or give me a number that I can call back
5 at.

6 Q And did he give you a number that you
7 could call back at?

8 A No, he did not call me back.

9 Q Earlier in this case with the
10 participation of your counsel they subpoenaed records
11 from your phone records from Verizon and Exhibit
12 Fleming 4 is a copy of the documents that were
13 returned in response to the subpoena. I was unable
14 to locate in the documents a call record of a call to
15 Associated that is in this July/August period. I
16 only see the ones in September that are on the log,
17 Fleming 3, but I want to give you a chance. I'm
18 going to give you a copy to look at to see if you can
19 figure out the phone call that you're thinking of
20 that you believe may or may not have been somebody
21 with Associated. We've marked these as Exhibit 4.

22 A I don't remember the phone number that called.

23 Q Back in July would it have been common
24 for you to have received calls from creditors or
25 third-party vendors or creditors trying to get

1 payments on their accounts?

2 A Can you repeat that question? Just repeat it.

3 Q Sure. Back in July would it have been
4 common for you to have received some calls from
5 creditors to whom you owed money or venders that they
6 hired to collect money from?

7 A No.

8 Q You don't recall receiving any calls
9 from anybody other than those associated with your
10 utility company?

11 A There possibly could have been one other
12 company, but I don't recall.

13 Q Who would that other company have been?

14 A I don't know the name.

15 Q Do you recall whether JCP&L ever cut
16 your services?

17 A Yes.

18 Q When did they cut your services?

19 A I -- around the time of Superstorm Sandy.

20 Q That would have been October of 2012?

21 A The next month. In November. I remember
22 that's the only one I remember clearly.

23 Q Other than that one back at the
24 Superstorm Sandy time period, do you recall them ever
25 actually terminating your services?

1 A They have, but I don't remember exactly when.

2 Q How many times other than Superstorm
3 Sandy would they have actually turned off the
4 services?

5 A I'm guesstimating because I honestly to the
6 best of my knowledge most likely about three times.

7 Q Would that all have been 2015 or was
8 that spread out?

9 A Spread out.

10 Q In July you said you spoke to a male.
11 Do you specifically sitting here today recall either
12 the individual's name or how they identified
13 themselves in terms of what company they worked for
14 other than the fact that he said he was collecting on
15 a JCP&L bill?

16 A Specifically, no.

17 Q And after that when was the next time
18 that somebody on behalf of JCP&L reached out to you
19 or you reached out to them?

20 A I do not remember.

21 Q Between July of 2015 and September 2nd,
22 2015 other than this conversation with this male, do
23 you recall speaking to anybody else with regard to
24 the JCP&L bill?

25 A Yes.

1 Q Who is the next person moving forward in
2 time that you recall speaking to?

3 A I do remember speaking with another male and a
4 female in the same phone conversation.

5 Q And do you recall approximately how much
6 time there was between the first call in July with
7 the male and the second call with the male and the
8 female?

9 A I do not remember.

10 Q No estimate whatsoever?

11 A No.

12 Q But it would have been before September
13 2nd, 2015?

14 A Possibly after that.

15 Q In July do you recall speaking to
16 anybody other than the one male about your JCP&L
17 bill?

18 A No.

19 Q In August do you recall speaking to
20 anybody else about your JCP&L bill?

21 A No.

22 Q And in September do you recall first
23 speaking to a male and the female?

24 A Correct.

25 Q How did that come about?

1 A I received a phone call from them.

2 Q Do you recall when that was? If the
3 phone bills help you at all, you're free to look at
4 them.

5 A Could you repeat the question, please?

6 Q Do you recall when this first
7 conversation took place between you and the male and
8 the female that you mentioned?

9 A In September, it looks like the middle of
10 September.

11 Q If it helps you, my records reflect that
12 there was a telephone conversation on September 15th.

13 A Yes. According to my phone bill, yes.

14 Q In the July conversation that you had
15 with this male are you able to locate that
16 conversation on your phone logs in July?

17 A I honestly don't remember when in July.

18 Q Okay.

19 A It was a quick conversation. Like I said, I
20 was driving.

21 Q What was discussed in that conversation
22 in July?

23 A He was calling to collect on a debt and I told
24 him that I was driving, you know, can you call me
25 back. It was about 5 because I asked him to call me

1 back in about a half hour, but he was very rude and
2 persistent. I told him I answered the phone because
3 I didn't recognize the number. I wanted to make sure
4 that my children were okay, if somebody was calling
5 in regards to my children and that I did not want to
6 get pulled over for driving and talking on the phone.

7 Q When this person called, did he identify
8 himself to you?

9 A He did, but I don't -- I do not remember a
10 name or where he called from.

11 Q Did you assume he was with JCP&L, the
12 people that you had talked to before from JCP&L?

13 A I would assume so, but, again, I'm not a
14 hundred percent.

15 Q After you got the call in July from
16 somebody for JCP&L did you call them back to try to
17 revisit the issue of a payment plan between you and
18 the creditor?

19 A No, I did not.

20 Q Is there any reason why you didn't do
21 that this time but you had done it the previous time?

22 A I was not happy with the way I was spoken to.

23 Q Other than that, were you able to make
24 your payment plan that you arranged for?

25 A I was not.

1 Q Is there any particular reason why you
2 didn't call out to JCP&L who assisted you before the
3 payment plan to revisit it to see if you could get a
4 lower payment?

5 A I was not currently working at that time. So
6 I did not have any income to be able to pay back
7 anything.

8 Q Is that because you didn't have any
9 income at that point in time coming in you didn't
10 want to talk to them about a payment plan, correct?

11 A Correct.

12 Q And do you recall at all whether in
13 August you had any calls from anybody for JCP&L?

14 A I do not remember.

15 Q Do you recall if within that time period
16 you had any calls from the cable company or Verizon
17 cell phone?

18 A From Verizon, I believe.

19 Q And did you end up on a payment plan
20 with Verizon or were you able to pay their bill in
21 order to keep the phone?

22 A With Verizon, yes.

23 Q Yes, you were able to pay the bill to
24 keep the phone?

25 A Yes.

1 Q Did you --

2 (At this time as short break was taken.)

3 Q Other than the July phone call that we
4 talked about that you were not happy with, were there
5 any other calls that you had that you were not happy
6 with?

7 A No.

8 Q And the call in July was with a man and
9 other than him wanting to talk to you while you were
10 driving and being persistent about it, was there
11 anything else that was said in that conversation that
12 you felt was inappropriate?

13 A I do recall something else. He was wanting to
14 put a lien on my house, but I don't own a home.

15 Q The residence that you were in at that
16 time that JCP&L was providing services for, you were
17 a tenant, renter?

18 A At the time of the July phone call, no.

19 Q Do you know -- in July did you have
20 services from JCP&L?

21 A No.

22 Q When did your JCP&L services cease?

23 A December 2nd, 2014.

24 Q Do you recall when the last time was you
25 had JCP&L services?

1 A The beginning of December.

2 Q December of?

3 A 2014.

4 Q And as of that time in December where
5 were you living?

6 A I moved in with my father.

7 Q And were you married at that time? I
8 remember something about going through a divorce or
9 separation.

10 A Separation.

11 Q When was that?

12 A Early December.

13 Q Around December of 2014?

14 A Yes.

15 Q The issues associated with the
16 separation contributed to the financial difficulties
17 you were having?

18 A Yes.

19 Q In December you moved out of the
20 residence that you were living in with your spouse,
21 correct?

22 A Correct.

23 Q And moved in with your dad?

24 A Correct.

25 Q Where was that?

1 A In Byram.

2 Q At some point in time after that did you
3 go back out on your own where you had your own
4 utilities and your own mail?

5 A No.

6 Q Are you still living with your dad?

7 A I left for three, four months possibly and
8 then I came back to my dad, but I had nothing in my
9 name.

10 Q The first call that you had to
11 Associated Credit was around September 15th?

12 A Correct.

13 Q And do you recall if you called them or
14 they called you?

15 A They called me.

16 Q You said it was a man and a woman so did
17 you get a call with two of them on the line at the
18 same time?

19 A No. I spoke with the male and he -- I don't
20 know supervisor, but somebody else came in on the
21 call.

22 Q Do you recall speaking with the female
23 first or the male first?

24 A Male first.

25 Q And what did you guys talk about?

1 A Repaying the balance.

2 Q Did you talk about your financial
3 condition or ability to pay?

4 A I did. I told him that I just moved back home
5 not that long ago and I don't have a job.

6 Q Do you recall if you told him anything
7 about the separation and the problems that that was
8 causing?

9 A Yes, I did.

10 Q What all did you tell him?

11 A That I was separated from my husband. I'm a
12 single mom with three children and I'm trying to get
13 back on my feet.

14 Q You spoke to the male first?

15 A Yes.

16 Q What did the male say to you?

17 A I'm pretty sure he came up with a figure, but
18 it was not feasible for me.

19 Q Did the male discuss with you anything
20 with regard to options you would have to assist you
21 with your separation from your husband and dealing
22 with the financial consequences of that?

23 A I don't remember.

24 Q How long did you speak with the male?

25 A I don't remember.

1 Q You said at some point in time a female
2 became involved?

3 A Correct.

4 Q And was it that they transferred you
5 from the male to the female?

6 A Correct.

7 Q Do you remember why they were
8 transferring you from one to the other?

9 A I don't remember.

10 Q You don't recall the names of either the
11 male or female?

12 A Absolutely not.

13 Q When they trans -- strike that. Let's
14 stay with the male first. I take it you recall
15 telling the male about your circumstances and about
16 the separation and all that, correct?

17 A Correct.

18 Q And he suggested some payment options
19 that you could consider and you told him that those
20 were not viable for you?

21 A Correct.

22 Q Okay. And at that point he said he'd
23 transfer you to the supervisor or this woman that you
24 talked to?

25 A Correct.

1 Q What happened when you talked to that
2 supervisor?

3 A I reiterated my difficulties and she did give
4 me some other options in trying to help my current
5 situation.

6 Q Were you more specific in terms of what
7 she was suggesting or what the two of you talked
8 about?

9 A She gave me names of organizations that I
10 could look into that would help people in need try to
11 pay off some of their debt and whatnot.

12 Q After doing that how did the two of you
13 leave the conversation?

14 A I don't remember how it left off.

15 Q Was it left you would call back or they
16 would call back or you would do something?

17 A Just that I was going to look into those
18 organizations.

19 Q Was this man and woman that you spoke to
20 in September, did you have any problems with that
21 conversation? Were they polite?

22 A They were polite. I felt the male was a
23 little pushy into asking -- I do remember him saying
24 is there anybody else that can pay this off for you,
25 pay a loan, along those lines. I just felt that was

1 kind of pushy. Other than that, I had no problems or
2 issues.

3 Q It seemed like the male had less options
4 available to help you and that's why he transferred
5 you to the female?

6 A I don't know.

7 Q Other than -- strike that.

8 That conversation with the man and the
9 woman, do you recall having a recording, that they
10 told you that your conversation would be recorded or
11 could be recorded?

12 A Yes.

13 Q And before today, we're going to play it
14 in a few minutes, but were you able to listen to the
15 recording?

16 A I did listen to it.

17 Q When was that?

18 A Two weeks ago possibly.

19 Q Okay.

20 A It was before.

21 Q Before the last deposition setting?

22 A Yes.

23 Q Other than that conversation with the
24 man and the woman in September, have you had any
25 other conversations on the telephone with somebody

1 from Associated Credit?

2 A I do remember somebody else did call and I
3 asked them to stop calling because my current
4 situation did not change, but I don't recall who had
5 called or how long that conversation was.

6 Q And you don't know who that call was
7 with? Do you know if it was with Associated Credit?

8 A I'm almost positive it was with Associated
9 Credit.

10 Q Can you find it in the log? I'll
11 represent to you that when I looked at Exhibit 3,
12 which is a summary of your calls, I don't see another
13 telephone conversation. So there's a connection.
14 When I went through the Verizon bills, I was unable
15 to find the call, but you might be able to spot it
16 more easier than I can.

17 A On --

18 Q It may help you. I don't mind giving it
19 to you. I'll give you what we've marked as Exhibit 3
20 and it's a summary of what's in the Verizon records.
21 It shows calls to you or voice mails and it shows the
22 phone calls if that helps you along. They tortured
23 me. They made the print as small as possible.

24 A I agree. I honestly don't remember the date
25 or timeframe.

1 Q I'll represent to you that that's on
2 your summary of the Verizon records that came in. If
3 you look at that, you'll see it looks to me like
4 there's only one connected telephone call where
5 conversations took place and the others were some
6 messages or areas where a message machine picked up.

7 Were you able to find, ma'am, another
8 call after you had the conversation?

9 A I don't remember what phone number they called
10 from.

11 Q There's no phone number on there that I
12 can find that's a connection with an ACS phone call
13 and reproduced all this in discovery so I'm assuming
14 you may have had the benefit of looking at it before
15 today, but I don't see another phone call connection
16 besides that one day. Do you recall having a
17 conversation with somebody after the date of the
18 conversation we're going to listen to that you're
19 able to testify under oath with somebody from ACS as
20 opposed to somebody from somewhere else?

21 A I do not remember.

22 Q Let's see how the audio of this is.
23 We'll take a break and let you listen to the audio.

24 (At this time the audio of recorded
25 conversation was played.)

1 Q After that particular conversation that
2 we got to listen to do you recall speaking to that
3 man or that woman again a second time?

4 A No.

5 MR. MURPHY: Off the record.

6 (Discussion held off the record.)

7 MR. MURPHY: Off the record we had an
8 opportunity to talk and it's my understanding
9 that at this point the plaintiff is going to
10 stipulate that she has no actual damages in
11 this action, correct?

12 MR. ALBANESE: That's correct.

13 Q Okay. At some point after the recorded
14 call on September 15th did you ever have another
15 lengthy conversation with somebody with regard to the
16 utility bill whether it was the creditor, ACS or any
17 other collector after that?

18 A Lengthy conversation, no.

19 Q What about any conversation whether it
20 was actually a communication or a message or a phone
21 number to contact?

22 A They left voice mails, but the phone numbers
23 got cut off.

24 Q Okay. And other than the voice mail --
25 strike that.

1 Do you recall getting any voice mail
2 call back -- strike that.

3 After September 15 did anybody ever
4 leave a voice mail with anything other than a phone
5 number to call, some type of a substantive message on
6 your machine?

7 A Please repeat that question.

8 Q Sure. After the lengthy telephone call
9 that we just listened to I wanted to know whether
10 anybody ever left a voice message on a recording
11 machine for you where they left information, specific
12 information about your debt or their efforts to
13 collect it, not just a telephone number to call back?

14 A Not that I recall.

15 Q And after December of 2015 do you recall
16 getting any calls with regard to the utility bill
17 that we're talking about?

18 A Not that I recall.

19 Q When was the last time you recall
20 getting a phone call that showed you where you looked
21 at your phone that somebody had called and tried to
22 reach you?

23 A I do not remember.

24 Q Could it possibly be December 3rd would
25 be the last time?

1 A Possibly. I don't remember.

2 Q After December of 2015 have you had
3 anybody try to reach out to you with regard to the
4 outstanding bill with the utility company?

5 A I do not remember. I don't remember.

6 Q The service period for the services that
7 the utility company provided, was that at a period of
8 time when you were married and cohabitating with I
9 believe you said ex-husband now or just separated?

10 A Separated.

11 Q Your husband?

12 A No.

13 Q Do you know if he has discharged or paid
14 the bill?

15 A I do not.

16 Q What's his name?

17 A Adam Fleming.

18 Q Does he still live at that address?

19 A No.

20 Q Other than the recorded conversation
21 that we've listened to here and your testimony about
22 a July conversation with somebody, have you had any
23 other contact that you allege to be with Associated
24 Credit Services that you're unhappy with?

25 A No.

1 Q Is there anything else that you believe
2 Associated Credit Services did that was wrong or
3 inappropriate as related to your bill?

4 A I don't believe so.

5 Q Did you do any follow up to the
6 suggestions that the man and a woman on the recording
7 gave you about services that you could reach out
8 to --

9 A Yes.

10 Q -- to assist you with your separation?

11 A Yes, I did.

12 Q Were you able to get some assistance,
13 some help?

14 A Yes, I was.

15 Q In terms of your personal understanding,
16 why is it that you decided to sue Associated Credit
17 Services?

18 A Why did I?

19 Q Yes.

20 A The annoyance of the phone calls.

21 Q The annoyance of the phone calls,
22 correct?

23 A Correct.

24 Q Anything else?

25 A That's it.

1 Q When I looked at the Verizon records, it
2 looks like after the September 15 conversation that
3 we just heard the audio for, I'm looking at the dates
4 of the calls and I don't see one with a voice message
5 being left. Do you recall there being a date where
6 an actual voice message was left on your phone?

7 A I don't recall an actual date, no.

8 Q Do you actually recall having a message
9 or just indication that you had to get on the phone
10 call that tells you the phone number of the person
11 that?

12 A Automated voice mail.

13 Q What did the automated voice message
14 say?

15 A Again, they get cut off because when the phone
16 picks up, the voice mail starts so when it actually
17 gets the voice mail, it's halfway into a
18 conversation.

19 Q When I look at the records, each one
20 indicates the outgoing call. It indicates the voice
21 message system triggering from your Verizon account
22 and it indicates no message left and I look at these
23 and that's all I see. Do you recall a specific date
24 where a message was actually left on your system
25 other than just somebody calling and the Verizon

1 phone kind of showing you that somebody called that
2 it was a missed call?

3 A No I didn't.

4 Q Okay. Was there something else that you
5 thought Associated Credit should have done when they
6 spoke to you about the outstanding utility bill that
7 they didn't do?

8 A Can you repeat that question for me, please?

9 Q Sure. Was there something that you
10 thought Associated Credit should have done that they
11 did not do when they had that conversation with you?

12 A More reasonable payback timeframe and balance.

13 Q If I recall, the conversation you had
14 you didn't have any income so there wasn't really any
15 payment plan at that point in time?

16 A Correct. He wanted it within 30 days.

17 Q Correct. The first gentleman had to
18 give you options of a payment plan and you indicated
19 you couldn't do that, he gave you a supervisor, go to
20 somebody who could deal with hardship issues,
21 correct?

22 A Correct.

23 Q You spoke to the woman and she offered
24 you services or places you could go to try to get
25 assistance, correct?

1 A Correct.

2 Q Other than that, was there something
3 that she was supposed to do in your mind that she
4 didn't do?

5 A I guess not.

6 Q I don't have any further questions.

7 MR. ALBANESE: I don't have any
8 questions.

9 Q Thank you very much for coming in.

10 (The witness was excused.)

11 (Deposition concluded at approximately
12 12:27 p.m.)

13 (Transcription of recorded conversation
14 received and marked Fleming 5 for
15 Identification.)

Historical Call Detail Explanation Form

Network Element	Mobile Directory #	Dialed Digit	Call Direction	Seizure Date Time	Seizure Duration	Calling Party Number
This is the switching equipment that transacted the call. A switch is named by the basic geographic area it covers. Switches route calls for hundreds of cell sites.	The billed subscriber's Mobile Directory Number (MDN)	This is the number dialed to initiate the call. For inbound calls this number will be the same as the Mobile Directory Number column and for outbound calls this is the number your target dialed.	This is the type of call, e.g. inbound, outbound, or voicemail. Inbound calls display the following numbers: 0 & 6. Calls to voicemail or mobile forwarded calls display the letter "F." Outbound calls display the following numbers: 1 & 3 Mobile to Mobile calls display the number 2. Any other letter or number is a routing or unknown call type and does not detail actual transactional data for a completed call. Subscriber information is not available for routing numbers.	This is the exact date and time of the start of each call	This is the duration of the call in seconds	This is the calling party that initiated the call. If the call is outbound this column will be the same as the Mobile Directory Number. If the call is inbound, this is the number that dialed your target.

When the #s in the Mobile Directory Number column, Dialed Digit column and the Calling Party Number column are all different, then you are looking at a routing #. The Routing # will appear in the Dialed Digit column. (All three numbers are different)

If you see your target # in the Mobile Directory Number column, the Dialed Digit column and the Calling Party Number column, then you are looking at your target checking his/her voicemail. (All three numbers are the same)

1 MS. FLEMING: Hello?

2 MR. KLINE: Hi. My name is Will Kline.
3 Am I speaking to Diana Fleming?

4 MS. FLEMING: May I ask where you're
5 calling from?

6 MR. KLINE: Sure. I'm calling from
7 Associated Credit Services. We're located in
8 Westborough.

9 MS. FLEMING: In regards to?

10 MR. KLINE: It was in regards to a
11 personal business matter. I could say more if
12 you are --

13 Are you Diana Fleming?

14 MS. FLEMING: I am Diana Fleming.

15 MR. KLINE: Okay. I just always have to
16 reiterate that communications with a
17 debt collector, any information obtained will
18 be used for that purpose. I'm calling on
19 behalf of First Energy. You might also know
20 it as First Energy Center Power. They placed
21 an account with a credit reporting. There's a
22 balance owing of \$2153.52 so they just wanted
23 us to give you a call to see how you're
24 looking to resolve this balance.

25 MS. FLEMING: I am unemployed right now.

1 I was just -- I just got myself out of a
2 domestic violence relationship. I fled and I
3 have nothing. I don't have my own home, my
4 own car. I have nothing. I don't have a job.
5 It's me and my three kids and I live in
6 somebody else's house.

7 MR. KLINE: Okay.

8 MS. FLEMING: So there's literally
9 nothing that I can even give you. Everything
10 is being put off. I mean I'm trying to get my
11 life back together.

12 MR. KLINE: Okay. Do you know if
13 there's anybody that could assist you in
14 regards to the account?

15 The reason --

16 MS. FLEMING: No.

17 MR. KLINE: -- that I ask is because --
18 No one can help you?

19 MS. FLEMING: I don't think so. Sorry.
20 Sorry.

21 What were you going to say?

22 MR. KLINE: No problem. I was going to
23 say we're looking for over the course of 30
24 days, but if we get you the financial hardship
25 arrangement, I could do something like four

1 payments of 538.

2 Do you know anybody who could come up
3 with 538?

4 MS. FLEMING: No. Honestly I don't.
5 I've been going through my family so I can
6 have people help me pay for food for my kids
7 and get them to school and to get clothes for
8 them and school supplies. I -- I have
9 nothing. I have nobody else to go to.

10 MR. KLINE: Okay. What I can do is --
11 Is the number we reached you on today,
12 your cell, is this the best contact number for
13 you?

14 MS. FLEMING: Yes.

15 MR. KLINE: All right. I can see if I
16 can get you some sort of extension.

17 MS. LYNN: Hello?

18 MS. FLEMING: Hi.

19 How are you?

20 MS. LYNN: Hi. Good afternoon. This
21 call is being recorded and monitored. My name
22 is Robin Lynn. I'm a review officer here at
23 ACS.

24 Is this Ms. Diana Fleming?

25 MS. FLEMING: Yes, ma'am, it is.

1 MS. LYNN: Hi, Ms. Fleming. Just a
2 quick reminder this is an attempt to collect a
3 debt. Any information obtained from this can
4 be used for that purpose. Okay.

5 So when did you exactly move out of the
6 location on Brookwood Estate, Brookwood Drive?

7 MS. FLEMING: December, November,
8 December, around there. I couldn't tell you
9 the exact date.

10 MS. LYNN: What month?

11 MS. FLEMING: I don't remember.

12 MS. LYNN: It was last year?

13 MS. FLEMING: It was either November,
14 December. Yes, it was last year.

15 MS. LYNN: Okay. Because we do have a
16 signed rebate dated October 23rd so it was
17 taken out of your name prior to that. So your
18 current address, is that still the 29
19 Brookwood Drive?

20 MS. FLEMING: That's my father's
21 address, yes, we are staying there a couple
22 days a week, yes.

23 MS. LYNN: Okay. And the cell phone is
24 the only good contact number for you Ms,
25 Fleming?

1 MS. FLEMING: Unfortunately it's the
2 only number I have, yes, as of right now.

3 MS. LYNN: So I mean you've already
4 spoken with a representative so you're
5 currently not working, family is helping you
6 through right now.

7 Are you trying to get help at all from
8 the State or anything to try to help with this
9 balance?

10 MS. FLEMING: No. I didn't know that I
11 could.

12 MS. LYNN: I mean you could always try
13 your local town, city hall, local churches,
14 Catholic Charities, Salvation Army, places
15 like that, they might be able to help with it.

16 MS. FLEMING: Oh, I wasn't aware I was
17 able to do that because I thought I had to be
18 like a current, I won't say current customer,
19 I guess technically you could say I'm still an
20 existing customer because I still have that
21 balance.

22 MS. LYNN: Right.

23 MS. FLEMING: But you know what I mean?
24 I'd like to have a place of my own and have
25 that monthly bill still coming through.

1 MS. LYNN: Are you hoping to get
2 yourself into your own place again?

3 MS. FLEMING: Hopefully, yes.

4 MS. LYNN: There must be an organization
5 that can help you. They can find ways of
6 trying to help you get your balance paid so
7 that you can get yourself into your own place.

8 MS. FLEMING: Okay. I'm going to
9 research that. I'm going to go to the library
10 and see if I can or go to town hall.

11 MS. LYNN: Right. I mean --

12 MS. FLEMING: Anything if somebody can
13 help me. I didn't know that I could do that.
14 You have no idea how hard it's been for me.

15 MS. LYNN: I totally understand. I mean
16 there's a lot of organizations out there that
17 can help. Try city hall, let them know what's
18 going on. They can hopefully refer you.
19 Sometimes cities can help you with all kinds
20 of stuff, not just this.

21 Okay?

22 Try Salvation Army, Catholic Charities,
23 places like that.

24 MS. FLEMING: Okay?

25 MS. LYNN: Okay.

1 They're there to help.

2 MS. FLEMING: Okay. Thank you so much.
3 I didn't even think about going to town hall
4 or city hall or anything like that.

5 MS. LYNN: There's things to try.
6 There's a lot of doors opened by trying those
7 and see what they can do for you.

8 MS. FLEMING: Okay?

9 MS. LYNN: Good luck. I might call
10 again in the future, but I wish you good luck.
11 Okay?

12 MS. FLEMING: Okay. Thank you so much.

13 MS. LYNN: You're welcome. Bye-bye.

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

DIANA FLEMING,

Plaintiffs,

vs.

ASSOCIATED CREDIT SERVICES,
INC.,

Defendant.

CIVIL ACTION NO.:
2:16-cv-3382-KM-MAH

DECLARATION OF WALTER C. STEELE

I, Walter C. Steele, hereby declare under the penalty of perjury that the following statements made by me, are true and correct, pursuant to 28 U.S.C. Section 1746:

1. My name is Walter C. Steele. I am the Chief Compliance Officer of Associated Credit Services, Inc. ("ACS") and I make this declaration based on my personal knowledge and my review of business records maintained by ACS. I am over the age of eighteen (18) years, am of sound mind, have personal knowledge of the facts and matters set forth herein unless noted as based upon information and belief and such are true and correct to the best of my knowledge.
2. As the Chief Compliance Officer of ACS, I am required to understand and do understand the LiveVox human-initiated calling system known as the Human Call Initiator ("HCI"). ACS uses HCI to make phone calls as part of ACS's business.
3. The Summary of Results of Telephone Calls made to telephone number 2012300882 – Exhibit 1 attached hereto - refers to three "Caller ID#"s. 2012300882 is the telephone number of the plaintiff Diana Fleming. The three "Caller ID#"s are 2019425309, 2019845454, and 2015353253. The reason

there are three "Caller ID#"s is that we utilize multiple local numbers in larger metropolitan areas.

These numbers are stagnant, meaning they do not change and are always associated with our company.

We purchase a "package" of numbers in these areas. Part of the reason we do so is when we are making outbound calls and someone desires to call back after a "missed call" we do not have a large amount of people trying to all call in on the same number resulting in a potential busy signal.

4. All of the local caller ID numbers are built into the Human Call Initiator calling campaigns so that when calls are launched via HCI, one of the local caller ID numbers is presented to the consumer. We are 100% transparent so every caller ID shows a local number and our company name.
5. Attached are two computer printouts regarding calls between ACS and the plaintiff. Exhibit 2 is the LiveVox summary of calls made by ACS to plaintiff using LiveVox's HCI system. Exhibit 3 is the ACS collection system log. Both printouts confirm that all calls emanating from ACS were launched by human intervention of an ACS employee. They also show there were two calls made to ACS by the plaintiff, both of which were hung up by plaintiff before they were transferred to an ACS representative.
- 6.

Executed on the 29th day of November 2017 in Westborough, Massachusetts.

**** It is critical to note that the last 2 calls Dec 1 and Dec 3, we were actively working with Livevox to solve the overnight time stamp issue. As you can see from the overnight stamps, they got the hour right but the stamp was AM instead of PM. This was due to it not being set up for military time. We have since got this corrected and any new time stamps from Livevox are reflecting the actual time a call was made.

ASSOCIATED CREDIT SERVICES, INC.,

Civil Action No. 2:16-cv-3382-KM-MAH

DECLARATION OF KEVIN STARK

I, Kevin Stark, hereby declare under the penalty of perjury that the following is true and correct pursuant to 28 U.S.C. § 1746:

1. My name is Kevin Stark. I am the Director of Product Management for LiveVox, Inc. ("LiveVox"). I make this declaration based on my personal knowledge and my review of business records maintained by LiveVox. I am over the age of eighteen (18) years, am of sound mind, have personal knowledge of the facts and matters set forth herein unless noted as based on information and belief and such are true and correct to the best of my knowledge.

2. As LiveVox's Director of Product Management, I am required to understand and do understand LiveVox's outbound dialing systems, including the outbound dialing system known as the Human Call Initiator ("HCI"). Indeed, in my role as Director of Product Management, I gathered information and provided direction to the engineering team at LiveVox regarding the design, construction, and implementation of HCI. HCI was expressly designed, built, and implemented to be an outbound dialing system that is not capable of launching calls in

an automated fashion. In other words, HCI was purposefully designed so as to not be an autodialer or a predictive dialer, and to have no capacity to be modified so as to be transformed into an autodialer or predictive dialer.

3. LiveVox offers a comprehensive calling platform to its customers. The platform has several different and distinct outbound dialing systems, including both human-initiated dialing systems and an automated dialing system. The human-initiated dialing systems, including HCI, require an agent to manually initiate a call, and, as noted above, are designed and built by LiveVox so as not to be capable of automated or predictive dialing.

4. LiveVox provides hosted contact center services, meaning that it hosts the hardware and software for its outbound dialing systems at its own data centers. LiveVox's customers, including defendant Associated Credit Services, Inc. ("ACS"), access the software through a secure online portal. LiveVox's customers do not install any LiveVox system on their own computers.

5. LiveVox offers four separate outbound dialing systems to its clients: one automated outbound dialing system and three human initialed outbound dialing systems. Each LiveVox dialing system is distinct from each other dialing system: each system has its own dedicated and separate hardware and software.

6. HCI is one of LiveVox's human-initiated outbound dialing systems. HCI, like all of LiveVox's human-initiated systems, is a distinct outbound dialing system, separated from LiveVox's other outbound dialing systems at the hardware and software level. HCI uses a unique combination of software and hardware that is not shared with any other LiveVox system. The software underlying HCI is designed only to enable the type of calls launched in HCI.

7. All HCI calls are routed through a set of servers exclusively dedicated to HCI calls. Those HCI servers cannot launch automated calls.

8. Every call launched using HCI requires human intervention by an agent: an employee or other person working on behalf of the LiveVox customer making the call. The human intervention takes the form, in part, of a “clicker agent” clicking on a dialogue box to confirm the launching of a call to each particular telephone number. The call will not be launched unless the clicker agent clicks on the dialogue box.

9. The clicker agent is also able to monitor a real-time dashboard that contains information about “closer agent” availability, number of calls in progress, and related metrics. The closer agent is the agent designated by the LiveVox customer to speak with the call recipient. In order for a call to be launched in HCI, the clicker agent must take the action previously described and there must also be a closer agent who is available to take the call. Further, HCI is designed to allow a clicker agent to control how often calls are made by reviewing the dashboard and making judgments based on that information when deciding when to launch any particular call.

10. A clicker agent, when logged into HCI, is logged into HCI only and not into any other LiveVox outbound dialing system. To log into any other LiveVox outbound dialing system, the clicker agent would first need to log out of HCI.

11. HCI does not use any predictive or other kind of algorithm to engage in predictive dialing of any kind. For example, HCI does not use a statistical algorithm to minimize the time that agents spend waiting between calls, nor does it use an algorithm to minimize the occurrence of a consumer answering a call when no closer agent is available.

12. HCI does not have the present capacity to auto-dial; it does not have any features that permit autodialing and there are no features in HCI that can be turned on to enable autodialing.

13. HCI does not have the potential capacity to auto-dial; there are no features that can be activated, deactivated, or added to the system to enable auto-dialing. There is no external application programming interface ("API") with which to add software to the system; the components of HCI are designed so as not to be able to transfer a list from one component to another; and the server that launches HCI calls only recognizes a request from the HCI agent presentation layer, which itself requires a click for each call.

14. HCI does not have the capacity to produce numbers to be called using a random or sequential number generator.

15. HCI does not have the capacity to generate random ten digit phone numbers and then to dial them. This means that HCI does not have the capability of assembling arbitrary ten-digit telephone numbers to be called.

16. HCI does not have the capacity to generate sequential ten digit phone numbers and then to dial them. In other words, HCI does not assemble ten digit phone numbers such as (111) 111-1111, (111) 111-1112, and so on.

17. HCI does not use an artificial or pre-recorded voice.

18. I have reviewed the Associated Credit Services document entitled Summary for Phone Number 201300882 Start Date 07/20/2015 End Date 07/18/2016, a copy of which is attached hereto as Exhibit 1. Three Caller ID numbers appear on that document. The different

Caller ID numbers do not alter how HCI works nor any of the statements I have made in this

Declaration.

RE: Fleming, Diana v. Associated Credit Services, Inc.
29 Brookwood Drive, Stanhope, NJ 07874

Dear Sir or Madam:

Please be advised that we represent the above-named individual regarding claims against your company pursuant to the Federal Fair Debt Collection Practices Act, 15 U.S.C. 1692, et seq. and State law. Having been formally notified of representation, we respectfully demand you not contact our client for any reason. Instead, please direct all future contact and correspondence to our attention only. We reserve the right to seek injunctive relief should you fail to honor these directives.

Our client expressly revokes consent to call any and all cellular telephone number(s), if your records show that consent was previously granted. Revocation has been held to be effective and available to consumers in the decision of *Gager v. Dell Financial Services, LLC*, Docket 3-11-cv-02115 (3rd Cir, issued August 22, 2013).

THIS LETTER ALSO SERVES AS NOTICE TO IMMEDIATELY CEASE AND DESIST CONTACTING OUR CLIENT with respect to the collection or attempted collection of any debt, pursuant to the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692c(a)(2) and 1692c(c), et seq. There to be absolutely no calls, letters, or other communications whatsoever by any debt collector. Do not contact our client at home, at work, by cellular phone, by mail or otherwise.

Based upon the information received to date, an FDCPA claim is being prepared and will be filed against your company without further advance notice. You may if desired, contact us to discuss the matter but in any event, do not attempt to communicate with our client directly.

Sincerely,

/s/ Craig Thor Kimmel
